

## **Changes to E-Verify**

By Bruce E. Buchanan, Partner-In-Charge, Immigration Law Section

On June 13, 2010, changes are going to be made to E-Verify. These changes are intended to enhance E-Verify's usability, security, accuracy and efficiency. The newly redesigned E-Verify features a clean and modern design, easy and intuitive navigation, and clear and simple language.

The employer's existing user ID and password will still be valid and all of your cases will be there when you log in. The first time you log in after the update, you'll be required to take a short tutorial to learn about the changes.
